

Doggy Day Camp

Turn your dog's daycare visit into an educational opportunity.

Available Monday-Tuesday, Thursday- Friday

In our Doggy Day Camp program, your dog will get a minimum of 3 one-on-one training sessions with our trainer throughout the day. They will work on basic obedience such as sit, down, stay, leave it, and coming when called. They may also get practice walking nicely on leash with strolls around our 5-acre property.

When not training, your pup may have monitored social time in our playgroups or some quiet nap time in a comfy kennel so they can rest up for their next session.

The goal of our Doggy Day Camp program is to help teach your dog the basic skills and manners you want and sending home a tired, better-behaved dog.

Day Camp students need to be dropped off by 10am and can be picked up from 4-6pm

Dogs benefit from structure, routine, and repetition, so we strongly encourage all day camp dogs to come in at least 2 times per week.

We have limited openings, so you need to make reservations and we ask for 48 hours notice for cancellations.

The price for this service is \$45/day or you can get a package of 10 visits for \$395.

This price INCLUDES daycare!
